

## VIEWING YOUR LIVESTREAM

This performance comes live exclusively to our online ticketholders\* through our Eventbrite Event Page. It can be watched on a phone, desktop, laptop, or tablet.... wherever you prefer access the internet.

### IN ADVANCE

For security reasons, Eventbrite requires you to register a username and password before you access any of their online services, so if you have never used Eventbrite before, you will need to Sign Up in advance.

This can be done very easily by typing "Sign up for Eventbrite" into your preferred search engine (eg Google) and following the onscreen instructions. It takes two minutes or less. Keep the username and password that you chose when signing up to hand, as you may be prompted to enter them before you join the event on Sunday.

You can view on any device (including your TV by using 'screen mirroring'), so choose something that will give you good sound and make sure it is connected to the internet.

### TWO HOURS BEFORE THE STREAM STARTS

You will get an email from Eventbrite telling you that the event will start in two hours. There should be a prominent orange bar saying, 'View the Event' (you can find this bar on your original confirmation email as well). By clicking or tapping the bar at any time you can see our event page and if you click 'Join the Event' you will see the viewing window with a 'Stand By' Test Card. Live images will appear here shortly after 3pm on Sunday 13<sup>th</sup> March 2022 (there will be extra delay if you have slower broadband)

### TEN MINUTES BEFORE THE STREAM STARTS

You will get another email advising you that the stream is about to start. Now the prominent orange bar will say 'Join the Event'. By clicking or tapping this you get back to the event and there will be another orange bar saying Join Now. You will see the 'Stand By' test card...

### GOING LIVE

Just after 3pm, the test card will suddenly be replaced by our picture live from Maynooth. Make sure that your audio is on. You will see the venue and shortly afterwards our conductor and soloists will arrive... We will be so glad to have you with us... ENJOY!!

*\* If someone else bought your ticket for you, please note that it is only valid for your email address if this was registered on Eventbrite by the person buying the ticket. Contact them if there is any doubt about this*
