You are the peace of all things calm  
 You are the place to hide from harm  
 You are the light that shines in dark  
 You are the heart's eternal spark  
 You are the door that's open wide  
 You are the guest who waits inside  
 You are the stranger at the door  
 You are the calling of the poor  
 You are my Lord and with me still  
 You are my love, keep me from ill  
 You are the light, the truth, the way  
 You are my Saviour this very day.
